You are cordially invited to the next Central IL Association of Health Underwriters Expo on March 3, 2009, from 7:30 a.m. to 2:30 p.m., at the Par-A-Dice Hotel Ballroom. This year's theme is ***Wellness 4 Life***

Wellness 4 Life will be a great opportunity for exhibitors to showcase their health and wellness products and services to many Central Illinois insurance agents and brokers in the warm and friendly confines of the Par-A-Dice Hotel.

During the extended exhibition time, attendees will have an opportunity to participate in free biometric screenings (cholesterol, blood pressure, body mass, etc.) along with the educational and interactive exhibits.

Our keynote speaker, Jerry Ripperger, will talk about wellness, the next generation of Consumer Directed Health Care, and his vision for the marketplace. His learned insights will help attendees incorporate the latest health and wellness services into our business practices to better serve our customers and our industry.

Our good friends and NAHU Past-Presidents, Bynum Tuttle and Bob Tretter, will demonstrate and teach us leadership skills that will help us professionally and personally.

Please plan on attending along with your insurance industry associates and colleagues.

A Sponsorship/Registration form is available at our website (www.ciahu.org); the IL State AHU website (www.isahu.com); or from any of our chapter's officers.

We look forward to seeing you there! Please send in your Sponsorship/Registration form soon.
